Dear Ms. Mason-Smith:

This correspondence provides the Final Construction Completion Report. Various Site Remediations for the Fort Dearborn U.S. Army Reserve Center. A similar transmittal letter has also been provided to the Illinois EPA Federal Facility Unit.

Please feel free to call Douglas Meadors of the US Army Engineer District Louisville at (502) 315-6345 if you have any technical questions.

You may respond to MAJ David Quivey, Project Officer, by e-mail at QuiveyDM@hqda.army.mil, by mail to the address provided in this correspondence or by telephone at (703) 601-1943.

Sincerely,

David M. Quivey
